*With a line dance literally called "Hoedown," how could we not dance it at the Texas Hoedown! Join us Saturday night as we hit the floor together for this fun, beginner-friendly dance. It's easy to learn, big on fun, and guaranteed to bring the party vibes.

You have two opportunities to learn the dance. Feel free to come to one or both workshops. Grab your friends, and let's pack the floor Saturday night and turn it into one giant Hoedown celebration.
